

DETERMINATION OF NONSIGNIFICANCE (DNS)

Project title: State Route (SR) 520 / 148th Ave NE Interchange –
Overlake Access Ramp MP 8.75 – MP 9.20

Description of proposal: This project will modify the eastbound off-ramp to 148th Ave NE by adding a split ramp. The new split ramp connection will cross underneath 148th Ave NE and provide a direct access to 152nd Ave NE and the Overlake Neighborhood. Work will include, but not be limited to, excavation, road prism fill, retaining walls, drainage, paving, striping, traffic control, signing, illumination, and roadside restoration. Stormwater treatment will be provided in accordance with the WSDOT Highway Runoff Manual

Proponent: Washington State Department of Transportation (WSDOT)

Location of proposal, including street address, if any: The SR 520 eastbound off-ramp to 148th Ave NE provides access to the Overlake Neighborhood and is located within the cities of Bellevue and Redmond in King County, Washington. Township 25 North, Range 3 East and Section 22, Willamette Meridian.

Lead Agency: WSDOT

The lead agency for this proposal has determined that it does not have a significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of the completed Environmental Checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date of issuance. Comments must be submitted by July 15, 2015.
